

## Please Stay

Bay City Rollers

If I got on my knees  
And pleaded with you  
Not to go but to stay in my arms  
Would you walk out the door  
Like you did once before  
This time, You'll be different  
Please stay, don't go  
If I called out your name  
Like a prayer  
Would you leave me alone  
In my fear  
Knowing I need ya so  
Would ya still turn and go  
This time, you'll be different  
Please stay  
I loved you before  
I even knew your name  
And I wanted to give you my heart  
Well then you came back after me one time  
Oh, I knew, oh how I knew  
That these heartaches would stop  
Would you still hurt my pride  
Baby hey hurt till I cry  
This time, you'll be different  
Please stay, don't go  
Please stay  
You know I'll always love you darling  
Please stay
