

The Disco Kid

Bay City Rollers

Down town Brooklyn there's a party goin' on,
If there's a party he'll be dancin' all night long,
The Hi Fi Sky Fly Playin' music in his soul,
The Disco Kid keeps dancin' on now watch him go,
He'll make you feel good,
He'll shake you now,
He'll make you move now,
Mm Watch out.
