

# The Way I Feel Tonight

Bay City Rollers

Turn the music way down low  
Let me see you in the glow  
In the fire light you are shining  
Though it's much too soon to know  
If thi slove I feel will grow  
Let's take tonight to start out finding  
'Cause the way I feel tonight  
Everything will be alright  
I will keep your candle burning  
Oh yes the way I feel tonight  
Everything will be alright  
And the way I feel tonight - I love you  
Close the door and turn the key  
Open up your heart to me  
I can see your love light glowing  
Let your body melt in mine  
Let us taste each others wine  
Till the cup is over flowing  
'Cause the way I feel tonight  
Everything will be alright  
I will keep your candle burning  
Oh yes the way I feel tonight  
Everything will be alright  
And the way I feel tonight - I love you  
(fades with chorus - Baby I love you)
