

Washington's Birthday

Bay City Rollers

Dry your eyes, Mrs. Washington
Through all the years have passed you by
Mmm, we know him well and he sends you his love.

Glad you called, Mrs. Washington
Your boy has gone out for the day
He tried to call on his anniversary.

Ooh, Washington's birthday
Ooh, Washington's day
Ooh, Washington's birthday
And he wishes he could be with you this day.

Are you still there, Mrs. Washington?
We have to leave you soon, you know
The spirits fly, it's a long way to go.

Ooh, Washington's birthday
Ooh, Washington's day
Ooh, Washington's birthday
And he wishes he could be with you this day
And the time is soon when you will pass this way.

Washington's, Washington's birthday
Washington's, Washington's day
Washington's, Washington's birthday
Washington's, Washington's day.
