

You Made Me Believe In Magic

Bay City Rollers

I believe that love has gone
I've no strength to carry on
Thought my world was upside down
Then you walked on into my life
Went to work to set things right
What's the secret that you used
You made me believe in magic
You know that I can be true to your
love
You made me believe in magic
your love's put real magic into
my life
Now I'm filled with a new sense to be
You gave my life harmony
Loving you is all I,
all I need
