

Hate Me

Bayside

I'm gonna try gonna try to focus
I've been awake been awake and hopeless
Oh oh oh I know I can't count on you
Cause I know you and your lies and your mind control
Me my pride and has a job as chosen
Oh oh oh I got my problems too

Where do you go when I'm away
And are you behaving?
So you let me know what works for you
I can write you a love song
Cause we're perfect as perfect can be
I hate you and baby you hate me

I got a chance got a chance to see how
You come alive come alive with freedom
Oh oh oh whenever I'm not around
And if it's true what I think
That you're finally saying
That you regret every single day then
Oh oh oh at least we found common ground

Where do you go when I'm away
And are you behaving?
So you let me know if it works for you
I can write you a love song
Cause we're perfect as perfect can be
I hate you and baby you hate me

I'm so fed up (I'm so fed up)
With making up for being myself (For being myself)
I'm proud to say I'm flawed but not that much

Who can you trust when you turn on yourself?
We're perfect as perfect can be
Cause I hate you and baby you hate me
You hate me
And where do you go?
Cause I hate you and baby you hate me
