

Baby, set me free from this misery  
I can't take it no more  
Since you ran away nothing's been the same  
Don't know what I'm living for

Here I am so alone  
And there's nothing in this world I can do

Until you're back here baby  
Miss you, want you, need you so  
Until you're back here baby, yeah  
There's a feeling inside I want you to know  
You are the one and I can't let you go

So I told you lies, even made you cry  
Baby, I was so wrong  
Girl, I promise you now my love is true  
This is where my heart belongs

'Cause here I am so alone  
And there's nothing in this world I can do

Until you're back here baby  
Miss you, want you, need you so  
Until you're back here baby, yeah  
There's a feeling inside I want you to know  
You are the one and I can't let you go

And I wonder  
Are you thinking of me?  
'Cause I'm thinking of you  
And I wonder  
Are you ever coming back in my life?

'Cause here I am so alone  
And there's nothing in this world I can do

Until you're back here baby  
Miss you, want you, need you so  
Until you're back here baby, yeah  
There's a feeling inside I want you to know  
You are the one and I can't let you go
