

Can't Say

BBMak

I can't say why I love, but I do, yes I do
When I'm around you it feels so good, feels so good
And everything that I can do
Every wish I make for you
In the end it all came true and I

I can't say why I love
Can't say, can't say, but I do
I can't say why I love
Can't say, can't say, but I do
I can't say why I love

Baby when I found you, I just knew, I just knew
Couldn't live without you
Feel it too, do you feel it too
Everything you give to me
Feels as though it's meant to be
If you ever ask me how I feel

Now I'm thinking of you
When I can't explain the feeling
But I know that it's real when I hold you
When I saw you, you know, I knew
I knew I couldn't live without
Without you ever in my life

When I saw you, you know, I knew
I knew I couldn't live without
Without you ever in my life

Everything you give to me
Feels as though it's meant to be
So if you ever asked me how I feel
