

Ghost Of You And Me

BBMak

What am I supposed to do
With all these blues
Haunting me, everywhere, no matter what I do
Watching the candle flicker out in the evening glow
I cant let go
When will this night be over

I didn't mean to fall in love with you
And baby there's a name for what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me

Seen a lot of broken hearts go sailing by
Phantom ships, lost at sea
And one of them is mine
Raising my glass, I sing a toast to the midnight sky
I wonder why
The stars don't seem to guide me

I didn't mean to fall in love with you
And baby there's a name for what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me

The ghost of you and me
When will it set me free
I hear the voices call
Following footsteps down the hall
Trying to save what's left of my heart and soul

Watching the candle flicker out in the evening glow
I can't let go
When will the night be over

I didn't mean to fall in love with you
And baby there's a name for what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me

I didn't mean to fall in love with you
And baby there's a name for what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me
