

Sympathy

BBMak

I don't want nothing
Cause nothing's all you give
I don't need your touch
That could be too much for me
I don't want your lies
Burning deep inside of me
Look into my eyes
I don't want your sympathy

Should've known it was over
Can we still bring back before
As the love is certainly colder
You don't need me any more
Now nothing lasts forever like I said before
I don't want your sympathy no more

I don't want my love
It's been misunderstood
So I think I'm giving up
I can never give it up fair way

I don't want your lies
Burning deep inside of me
Look into my eyes
I don't want your sympathy

I don't want your sympathy
I don't need you here with me
I don't want your sympathy
I can't take it anymore
Because I'm hurt enough before
