

The Beginning

BBMak

You don't know what it's like
To be there when it's over
If love was like a battlefield
Would you put me on your shoulder
But time don't mend broken hearts
And this one's getting colder
And as the seasons fall apart
And I feel alone and older
I know you're wrong
To leave me where I'm standing

I don't wanna let you go
But in my heart now I know
That is only the beginning of the end
I don't know anymore
These days are never-ending
This love is like an open door
and I'm tired of just pretending

When I gave my heart to you
I better know what love could do
To all the pain it put me through

I don't wanna let you go
But in my heart now I know
That is only the beginning of the end
I don't wanna let you go
But in my heart now I know
That is only the beginning of the end
