

## Between The Worlds

Be Bop Deluxe

Between the worlds are pearls  
Around your lily white neck  
So round, profound all shining beads of sweat  
I know my way 'round your throat like a knife  
I'll silver and steel you away to my island of sea jade  
Crazy

Life a a love affair  
All the girls declare it so  
They know  
I am a gigalo  
Between the worlds I go I go  
I go

Between the girls are worlds  
That only lovers see  
So proud the shroud has fallen to my knees  
I know the sway of your charms like a snake  
I'll give you my head  
In a casket of silver and sea jade

They know  
I am a gigalo
