

Bummer Time

Be Your Own Pet

Bummer Time! Bummer Time! Its Bummer Time! Woah! (4x)
I think about you all week long
My mind constantly singing your theme song
And did you know I looked up to you
I want to be just like you
no one knows how it was for me
No one know what you meant to me
Everyone talks about it like they were there
All this nostalgia but nobody cares
Everyone talks about it like they were there
All this nostalgia but nobody cares
I woke up early just for you
I'd wait all week long for you too
And there you were on my t.v.
I thought you were there just for me
Bummer Time! Bummer Time! Its Bummer Time! Woah! (4x)
Every time you came I played along
I didn't know that you'd do me, god
And now your back what can I say
I can't even look at you the same way
no one knows how it was for me
No one know what you meant to me
Everyone talks about it like they were there
All this nostalgia but nobody cares
Everyone talks about it like they were there
All this nostalgia but nobody cares
I woke up early just for you
I'd wait all week long for you too
And there you were on my t.v.
I thought you were there just for me
Bummer Time!
