Bummer Time

Be Your Own Pet

Bummer Time! Bummer Time! Its Bummer Time! Woah! (4x) I think about you all week long My mind constantly singing your theme song And did you know I looked up to you I want to be just like you no one knows how it was for me No one know what you meant to me Everyone talks about it like they were there All this nostalgia but nobody cares Everyone talks about it like they were there All this nostalgia but nobody cares I woke up early just for you I'd wait all week long for you too And there you were on my t.v. I thought you were there just for me Bummer Time! Bummer Time! Its Bummer Time! Woah! (4x) Every time you came I played along I didn't know that you'd do me, god And now your back what can I say I can't even look at you the same way no one knows how it was for me No one know what you meant to me Everyone talks about it like they were there All this nostalgia but nobody cares Everyone talks about it like they were there All this nostalgia but nobody cares I woke up early just for you I'd wait all week long for you too And there you were on my t.v. I thought you were there just for me Bummer Time!
