

# I Dare You

Bea Miller

I can remember a time  
when I was so afraid  
When even my shadow  
wouldn't follow me

So I, I, I'm picking up my sword  
To shatter all the pieces  
that I was before  
Cause I, I, I'm worth fighting for  
For, for, for

So put me in a cage  
Lock me in a room  
Throw away the key  
I dare you  
I'll break down the walls  
A higher wrecking ball  
And I won't let you tear me down,  
no  
Throw away the key  
I dare you  
And I won't let you tear me down,  
no

I had an opinion,  
but never spoke my mind  
And I wouldn't argue,  
even when I knew I was right

But I'm not that girl anymore  
Yeah, I lost the battle  
but I won the war  
Cause I, I, I'm worth fighting for

So put me in a cage  
Lock me in a room  
Throw away the key  
I dare you  
I'll break down the walls  
A higher wrecking ball  
And I won't let you tear me down,  
no  
Throw away the key  
I dare you  
And I won't let you tear me down,  
no

I just kept on running, running,  
running  
Trying to find out who I was  
I would go the distance  
but it wasn't far enough  
But now I'm standing straight  
and know exactly who I am  
Yeah, yeah  
I can remember a time  
when I was so afraid

So put me in a cage  
Lock me in a room  
Throw away the key  
I dare you  
I'll break down the walls  
A higher wrecking ball  
And I won't let you tear me down,  
no  
Throw away the key
