

Paper Doll

Bea Miller

Does it make you feel good
to make me feel small?
When you're pushing me down
does it make you feel tall?
Wanna know my flaws
'cause you wanna erase them all
Does it make you feel good
to make me feel small?

I bet you didn't think
I knew what I was made of
Thought that i would lay down
I wouldn't stand up
Well, listen up
'cause you've got it all wrong
This is your song
This is your song

I'm not a paper doll
can't make me what you want
you just build me up
to tear me down
and that's enough
oh, oh, oh
leave me alo - o - one

Crash me down
but i won't fall
I'm not a paper doll

Did somebody make you
feel invisible?
Is it true,
hurt people hurt people?
While you hurt and break
you don't make no sence at all
But you're not gonna make me
feel invisible.

I bet you didn't think
I knew what I was made of
Thought that i would lay down
I wouldn't stand up
Well, listen up
'cause you've got it all wrong
This is your song
This is your song

I'm not a paper doll
can't make me what you want
you just build me up
to tear me down
and that's enough
oh, oh, oh
leave me alo - o - one

Crash me down

but i won't fall
I'm not a paper doll

I'm not a paper doll
can't make me what you want
you just build me up
to tear me down
and that's enough
oh, oh, oh
leave me alo - o - one

Crash me down
but i won't fall
Oh, you thought.
you crumpled me up
in the palm of your hands.
Well, I bet that sucks
Now you know you can't

Does it make you feel good
to make me feel small?
When you're pushing me down
does it make you feel tall?

I'm not a paper doll
can't make me what you want
you just build me up
to tear me down
and that's enough
oh, oh, oh
leave me alo - o - one

Crash me down
but i won't fall
I'm not a paper doll

I'm not a paper doll
can't make me what you want
you just build me up
to tear me down
and that's enough
oh, oh, oh
leave me alo - o - one

Crash me down
but i won't fall
I'm not a paper doll
