

# Yes Girl

Bea Miller

I could tell you what you wanna hear,  
'Cause the truth is always in the way.  
I never wanna live in fear.  
I don't wanna hold back all the things I need to say.  
Say, say.

I got you figured out.  
You need to have control.  
You think that I don't know you, I know you, I know.  
Tryna tell you now,  
I've been doin what you want,  
But I won't be your Yes Girl, no, not anymore.  
Just let me go (hey!)  
Just let me go (hey!)  
Won't be your Yes Girl, no, not anymore.  
Just let me go (Just let me go!)  
Just let me go (Just let me go!)  
Won't be your Yes Girl, no, not anymore.

You used to always let me in,  
Do you even know you've changed?  
Now you're my favorite sin, oh  
cause I'm either on your side or you're a mile away  
Oh, oh .

I got you figured out,  
You need to have control.  
You think that I don't know you, I know you, I know.  
Tryna tell you now,  
I've been doin what you want,  
But I won't be your Yes Girl, no, not anymore.  
Just let me go (hey!)  
Just let me go (hey!)  
Won't be your Yes Girl, no, not anymore.  
Just let me go (Just let me go!)  
Just let me go (Just let me go!)  
Won't be your Yes Girl, no, not anymore.

(Woah)  
No.  
I won't do it anymore.  
I won't do it anymore.

I got you figured out (figured out).  
You need to have control.  
You think that I don't know you, I know you, I know.  
Tryna tell you now (Tryna tell you now)  
Been doin what you want (Been doin what you want).  
But I won't be your Yes Girl, no, not anymore.  
Just let me go (Just let me go!)  
Just let me go (Just let me go!)  
Won't be your Yes Girl, no, not anymore.  
Just let me go (Just let me go!)  
Just let me go (Just let me go!)  
Won't be your Yes Girl, no, not anymore (not anymore).
