

## At My Window

Beach Boys

Birds fly up  
And down spinnin' round  
Flyin' all around  
From my window  
A little brown sparrow came  
Flutterin' down

Le moineau est venu  
Se poser ma fenjtre

He came to my window

And as I watched him  
I found myself reelin' and turnin' around  
And the faster I ran  
I ran out of breath and I fell to the ground  
(Poof)

Ahhhhhhhhhhhhh

He came to my window  
He came to my window  
He came to my window

From their eyes  
The people must look like miniature toys

Do do do do do  
Do do do do do do  
Fly away  
Fly away  
Fly away
