

# Break Away

Beach Boys

Break, break, shake away  
Break, break away  
Do what, do what I wanna do

Time will not wait for me  
Time is my destiny  
Why change the part of me  
That has to be free

The love that passed me by  
I found no reason why  
But now each day is  
Filled with the love

That very same love  
That passed me by  
And that is why

I can break away  
From that lonely life  
And I can do what I wanna do  
And break away from  
That empty life and  
My world is new

When I laid down on my bed  
I heard voices in my head  
Telling me now, hey  
It's only a dream

The more I thought of it  
I had been out of it  
And here's the answer  
I found instead

(Baby, baby) found out  
It was in my head  
(Baby, baby) found out  
It was in my head  
(Baby, baby) found out  
It was in my head

And I can break away  
To the better life  
Where the shackles  
Bever hold me down

I'm gonna make a way  
For each happy day  
As my life turns around

Come on  
We're free to break away  
(Oh, boy, you jump  
For joy when you break away)  
Now won't you come on  
You're free to break away)

Come on you're free to  
Break, break away  
(Break away, break away)

Feel the vibrations  
In all the sensations  
Breaking away  
Feel the vibrations  
In all the sensations  
Breaking away
