

Chug-A-Lug

Beach Boys

Here a mug, there a mug, everybody chug-a-lug
Here a mug, there a mug, everybody chug-a-lug
Gary likes a girl's tight black pants
Larry knows he doesn't stand a chance
Carl says hurry up and order it quick
Dave gets out to chase that chick
Dennis wonders what's under the hood
A big chrome tach and it sounds real good
I go down to the root beer stand
And drink up all that I can
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Cold beer, root beer
Here a mug, there a mug, everybody chug-a-lug
Brian's still glued to the radio
Louie's lookin' out the rear window
Guy's got around to orderin' fries
But root beer's my best buy
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Cold beer, root beer
Here a mug, there a mug, everybody chug-a-lug
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Give me some root beer (chug-a-lug chug-a-lug chug-a-lug)
Cold beer, root beer
Here a mug, there a mug, everybody chug-a-lug
Root beer, need another mug now
Root beer, chug-a-lug-a-lug now
Root beer, need another mug now
Root beer, chug-a-lug-a-lug now
Root beer, need another mug now
Root beer, chug-a-lug-a-lug now
