

# Cuddle Up

Beach Boys

The night has come  
Cuddle up to me  
Keep warm  
Mmm close to me

In dreams  
We'll dream  
Making love to wake  
To find  
Mmm we're still one

Your love  
Your love  
Your love  
Your love for me  
Is so  
Warm and good to me  
Growing every day  
Honey  
Honey  
I'm in love

Ooooo

I know a man  
Who's so in love  
Mm mm

The night  
Has come  
Cuddle up  
To me  
Keep warm  
Mm close to me

Your love  
Your love  
Your love  
Your love for me  
Is so warm and good to me  
Growing every day  
Honey  
Honey  
I'm in love

Ooooo oooo oooooooooo

I know a man  
Who's so in love  
Mm mm
