

# Darlin'

Beach Boys

Ohh, kee kee, darlin'  
Ooh, ooh, my darlin', you're so fine

Don't know if words can say, but darlin', I'll find a way  
To let you know what you meant to me  
Guess it was meant to be  
I hold you in my heart as life's most precious part

Ohh, darlin'  
I dream about you often my pretty girl, babe  
I love the way you soften my life with your love  
Your precious love

I was feeling like half a man then I couldn't love but now I can  
You pick me up when I'm feeling sad  
More soul than I ever had  
Gonna love you every single night, 'cause I think you're too outta sight

Ohh, ohh, darlin'  
I dream about you often my pretty girl, babe  
I love the way you soften my life with your love  
Your precious love

Every night, whoa  
Every night, oh darlin'

Love you every single night, yes I'll do  
'Cause I think you're too doggone outta sight, outta sight

Yeah, yeah, darlin'  
I dream about you often my pretty girl, babe  
I love the way you soften my life with your love  
Your precious love

Every night, whoa, I kept thinking about darlin'  
Every night, oh darlin'
