

# Don't Worry Baby

Beach Boys

Well it's been building up inside of me  
For oh I don't know how long  
I don't know why  
But I keep thinking  
Somethings bound to go wrong

But she looks in my eyes  
And makes me realize  
And she says don't worry baby  
Don't worry baby  
Don't worry baby  
Everything will turn out alright

Don't worry baby  
Don't worry baby  
Don't worry baby

I guess I shouldve kept my mouth shut  
When I started to brag about my car  
But I can't back down now  
I pushed the other guys too far

She makes me come alive  
And makes me wanna drive  
When she says don't worry baby  
Don't worry baby  
Don't worry baby  
Everything will turn out alright

Don't worry baby  
Don't worry baby  
Don't worry baby

She told me baby, when you race today  
Just take along my love with you  
And if you know how much I loved you  
Baby nothing could go wrong with you

Oh what she does to me  
When she makes love to me  
And she says don't worry baby  
Don't worry baby  
Don't worry baby  
Everything will turn out alright

Don't worry baby  
Don't worry baby  
Don't worry baby
