Girls On the Beach

Ah ah ah ah oo ooo ooo oo ahh The girls on the beach

On the beach you'll find them there In the sun and salty air The girls on the beach Are all within reach If you know what to do

How we love to lie around Girls with tans of golden brown The girls on the beach Are all within reach And one waits there for you (Girls on the beach)

The sun in her hair The warmth of the air On a summer day

As the sun dips out of sight Couples on the beach at night The girls on the beach Are all within reach And with the boys tonight (Girls on the beach)

Girls on the beach, girls on the beach Girls on the beach, girls on the beach
