

# Here Comes the Night

Beach Boys

My heart was breaking  
'Til you started making me  
Feel like a natural man

My mind was a mess  
Until you brought happiness  
Well, that's not hard to understand

When I'm through working  
Just fussing and cussing  
I'll be there just  
As quick as I can

R: Here comes the night  
Hold me, squeeze me  
Don't ever leave me  
Tell me I'm doing alright  
Hold me, squeeze me  
Don't ever leave me  
Tell me I'm doing alright  
Hold me, love me, oooh

I know living  
Is taking and giving  
Baby, I'm giving you my best

One of these days  
You know I'm gonna go crazy  
In the middle of your caress

When the day goes down  
Honey, I'll be around  
Why don't you wear  
Your pretty red dress

R: Here comes the night...

Every morning  
Our love is reborn  
And it lives with me  
All day long

Things start to changing  
Takes a little rearranging  
But our love grows on and on

Stars that shine above  
Making you mine to love  
It's never, ever felt so strong

R: Here comes the night...
