

I Can Hear Music

Beach Boys

Ahhh, ooooh

This is the way
I always dreamed it would be
The way that it is, oh, oh
When you are holding me

I never had a love of my own
Maybe that's why
When we're all alone

R: I can hear music
I can hear music
The sound of the city, baby
Seems to disappear
Oh, and I can hear music
Sweet, sweet music
Whenever you touch me, baby
Whenever you're near

Loving you
It keeps me satisfied
And I can't explain, oh, no
The way I'm feeling inside

You look at me
We kiss and then
I close my eyes and
Here it comes again

R: I can hear music...

I hear the music
All the time, yeah
I hear the music
Hold me tight now, baby
I hear the music all the time
I hear the music
I hear the music, aahh

R: I can hear music...
