

# I Can Hear Music

Beach Boys

Ahhh, ooooh

This is the way  
I always dreamed it would be  
The way that it is, oh, oh  
When you are holding me

I never had a love of my own  
Maybe that's why  
When we're all alone

R: I can hear music  
I can hear music  
The sound of the city, baby  
Seems to disappear  
Oh, and I can hear music  
Sweet, sweet music  
Whenever you touch me, baby  
Whenever you're near

Loving you  
It keeps me satisfied  
And I can't explain, oh, no  
The way I'm feeling inside

You look at me  
We kiss and then  
I close my eyes and  
Here it comes again

R: I can hear music...

I hear the music  
All the time, yeah  
I hear the music  
Hold me tight now, baby  
I hear the music all the time  
I hear the music  
I hear the music, aahh

R: I can hear music...
