I know so many people who think they can do it alone They isolate their heads and stay in their saftey zones

Now what can you tell them And what can you say that won't make them defensive

- I know there's an answer
- I know now but I have to find it by myself

They come on like they're peaceful But inside they're so uptight They trip through their day And waste all their thoughts at night

Now how can I come on And tell them the way that they live could be better

- I know there's an answer
- I know now but I have to find it by myself

Now how can I come on And tell them the way that they live could be better

- I know there's an answer
- I know now but I have to find it by myself
