I'm Bugged at My Ol' Man

Beach Boys

I'm bugged at my ol' man Cause he's making me stay in my room (Darn my dad)

I came in a little late And my ol' man he just blew his mind (Blew it bad)

Why did he sell my surfboard? He cut off my hair in my sleep

I wish I could see outside But he tacked up boards on my window (Gosh it's dark)

I can't hit the surf, can't drag Can't do a dog-goned thing (Wish I could)

I tried to call up my chick But he jerked my phone right out of the wall

They gave me some breadcrumbs And a little glass of water And they're out there eating steak (Smells so good)

I ripped up my wardrobe And I'm growing a beard Oh when will they let me come out

I'd listen to my radio But he took it and he's using it in his own room (Now it's gone)

I wish I could do some homework But I got suspended from school (Blew my cool)

I'm bugged at my ol' man And he doesn't even know where it's at
