In the Back of My Mind

Beach Boys

I'm blessed with everything
A world to which a man can cling
So happy at times when I break out in tears
In the back of my mind I still have my fears.

I live my life with her,
Love her true she knows I'm sure;
I make her happy just living so plain,
Back of my mind I'm 'fraid it's gonna change

I tried to run far away from thoughts
I should try to keep away
But they just keep coming back to me
I tried to rationalize
But some day I might realize
That things are just good the way they'll be.

I know it's so hard to find
A girl who really understands your mind
What will I do if I lose her:
It will always be way in the back of my mind
