

# It's About Time

Beach Boys

I used to be a famous artist  
Proud as I could be  
Struggling to express myself  
For the whole world to see  
I used to blow my mind sky high  
Searching for the lost elation  
Little did I know the joy I was to find  
In knowing I am only me

I'm singin' in my heart  
I'm singin' in my heart  
I'm singin' love to sing  
I love to sing it from my heart

Oh the creation yeah  
Of a good time doin' my part  
With an open-hearted laugh of realization in my mind  
And now I'm but a child who art  
Erect in humility  
Serving out a love for everyone I meet  
In truth who are really me

I'm singin' in my heart  
I'm singin' in my heart  
I'm singin' love to sing  
I love to sing it from my heart

No-no-no no no  
Hoo no hey yeah no-no-no-no  
It's about time now it's about time now  
It's about time now don't you know now  
It's about time now it's about time now  
It's about time now don't you know now  
It's about time we get together  
To be out front and love one another  
Brothers sisters everybody  
We better start to help each other now  
We need it now

When we're sharin' our love brother  
That's when we know we can shape another world

Lord lord lord lord lord lord lord lord lord lord lord lord lord  
lord  
Oooh lord  
Lord lord lord lord lord Oh Oh

Oh no lord no no oh
