

It's Gettin' Late

Beach Boys

It's getting late, I can't wait
Come a, come a little closer
You gotta tell me that you'll stay

I've been praying for this moment
Since the second I laid eyes on you
Minutes seem like hours
When you're gone

Girl, I'm getting tired of waiting
So stop your hesitating
I can't believe you
Keep me hanging on

(It's getting late, ooh)
It's getting late
Time waits for no one
(I can't wait)
Love is a turn on

It's getting late, I can't wait
Come a, come a little closer
You gotta tell me that you'll stay

You got me in a situation
My love is rising high
Don't let any more love pass us by

Girl, we can make it up to paradise
Just give it a try
So hurry now and, girl
Make up your mind

(It's getting late)
It's getting late
Don't know how much
More I can stand

(It's getting late)
It's getting late
Don't know how much
More I can stand

Girl, I need your loving
I'm so tired of waiting
Come on, there's no one else around

Ooh, sweet girl, it's getting late
So please don't hesitate
Waiting to get your defenses down
