

Never Learn Not to Love

Beach Boys

Cease to resist, come on say you love me
Give up your world, come on and be with me
I'm your kind, I'm your kind, and I see

Come on come on, ooo I love you pretty girl
My life is yours, and you can have my world
I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned
I know I could never learn not to love you
Come in now closer
Come in closer closer closer ahhhh

Submission is a gift given to another
Love and understanding is for one another
I'm your kind, I'm your kind, and I see

Never had a lesson I ever learned
I know I could never learn not to love you
Come in now closer
Come in closer come in closer ahhhh

Ahhh-ahhh-ahhh-ahhh-ahhhhhh
Ahhh-ahhh-ahhh-ahhh-ahhhhhh
