

# Shut Down

Beach Boys

Tach it up, tach it up  
Buddy gonna shut you down

It happened on the strip where the road is wide  
Two cool shorts standin' side by side  
Yeah, my fuel injected Stingray and a 413  
Were revvin' up our engines and it sounds real mean

Tach it up, tach it up  
Buddy gonna shut you down

Declinin' numbers at an even rate  
At the count of one we both accelerate  
My Stingray's light the slicks are startin' to spin  
But the 413's really diggen in

Gotta be cool now power shift here we go

Superstock Dodge is winding out in low  
But my fuel injected Stingray's really startin' to go  
To get the traction I'm ridin' the clutch  
My pressure plate's burnin' that machine's too much

Pedal's to the floor hear the dual quads drink  
And now the 413's lead is startin to shrink  
He's hot with ram induction but it's understood  
I got a fuel injected engine sittin' under my hood

Shut it off, shut it off buddy now I shut you down  
Shut it off, shut it off buddy now I shut you down  
Shut it off, shut it off buddy now I shut you down  
Shut it off, shut it off buddy now I shut you down
