

Then I Kissed Her

Beach Boys

Well I walked up to her and I asked her if she wanted to dance
She looked awful nice and so I hoped she might take a chance

When we danced I held her tight
Then I walked her home that night
And all the stars were shining bright
And then I kissed her

Each time I saw her I couldn't wait to see her again
I wanted to let her know that I was more than a friend

I didn't know just what to do
And so I whispered I love you
And she said that she loved me too
And then I kissed her

I kissed her in a way that I'd never kissed a girl before
I kissed her in a way that I hope she liked for evermore

I knew that she was mine so I gave her all the love that I had
Then one day she'll take me home to meet her mom and her dad

Then I asked her to be my bride
And always be right by my side
I felt so happy that I almost cried
And then I kissed her
And then I kissed her
And then I kissed her
