I'm thinking about a-this whole world
Late at night I think about the love of this whole world
Lots of different people everywhere
And when I go anywhere I see love I see love I see love

When girls get mad at boys and go Many times they're just putting on a show But when they leave you wait alone

You are there like everywhere like everyone you see Happy cause your living and your free

Now here comes another day for your love (I'm thinking about a-this whole world) (A-this whole world)
Love

Woo oo oo oo ooo oo oo oo (Woo oo oo oo oo oo oo oo oo oo oo)

Aummmmm wooo wooooo bop didit

Late at night I think about the love of this whole world (This whole world)

Oomm dot dit it
