

## Wendy

Beach Boys

Wendy, Wendy what went wrong  
Oh so wrong  
We went together for so long

I never thought a guy could cry  
'Til you made it with another guy  
Oh Wendy, Wendy left me alone  
Hurt so bad

Wendy, Wendy don't lose your head  
Lose your head  
Wendy don't believe a word he says

I can't picture you with him  
His future looks awful dim  
Oh Wendy, Wendy left me alone  
Hurt so bad

Wendy I wouldn't hurt you like that  
No no no  
I thought we had our love down pat  
Guess I was wrong

The farthest thing from my mind  
Was the day that I'd wake up to find  
My Wendy  
Wendy left me alone

Wendy, Wendy left me alone  
Hurts so bad  
Wendy, Wendy left me alone  
Hurts so bad
