

# Clash The Truth

## Beach Fossils

Life can be so vicious that we can't even appreciate its purities  
we get so excited that we can't feel any of our insecurities  
all of what you said, it went right over my head and now I'm gone  
it feels like an attack when I'm asking for it back, I know

dream, rebel, trust, youth, free, life, clash, truth  
real, time, gone through, peace, piss, shine, proof  
clash, truth, lush, you, lost time, so confused  
charge, train, hate, proof, nothing real, nothing true

dream, rebel, trust, youth, free, life, clash, truth  
real, time, gone through, peace, piss, shine, proof  
clash, truth, lush, you, lost time, so confused  
charge, train, hate, proof, nothing real, nothing true
