

## Auburn and Ivory

Beach House

Once when I saw her there  
White light she stood so still  
Warming her eyes to the sea  
Hardly her way to be free

Auburn and ivory  
Heart break and pony tails

Holding her bones by a fire  
Writing the letter she sails  
White page turns golder lights  
Wanting her one sacrifice

Auburn and ivory  
Heart break and pony tails

Come to me  
And I'll tell you what's wrong  
She said, "I'll wait for you. I'll wait for..."

Once when I saw her there  
White light she stood so still  
White page turns golder lights  
Hardly her one sacrifice

Auburn and ivory  
Heart break and pony tails
