```
How am I supposed to say to you
That I'm gonna leave tonight ?
How am I supposed to explain to you
That I never loved you right ?
I will be gone forever
All our connections I sever
Oh, can I possibly hurt you in a good way ?
Oh, can I possibly hurt you in a good way ?
How can I explain the truth to you
and expect you to believe ?
How can I refuse and look down on you ?
How am I supposed to leave ?
I will be gone forever
All our connections I sever
Oh, can I possibly hurt you in a good way ?
Oh, can I possibly hurt you in a good way ?
