Beatles and Stones

Beady Eye

Well it beats me mama, I just want to rock and roll Well it beats me mama, I just want to rock and roll I'm gonna stand the test of time Like Beatles and Stones

Well it freaks them mama I'm not doin' what I'm told Well it freaks them mama You know I can't be bought and sold I'm gonna stand the test of time Like Beatles and Stones

I'm on my way home, just get back to what's mine And when I get home, well I'll be alright

Well it beats me mama, I just want to rock and roll I'm gonna stand the test of time Like Beatles and Stones

I'm on my way home, just get back to what's mine And when I get home, well I'll be alright

What's that you say? Get out the way!
