

Don't Brother Me

Beady Eye

Don't bother me when I'm done
Have a little fun, did you hear he come?
You say that you're free but I'm one
Always in the sun which is number one

You know I'm a man, I'll make you if I can
You know I'm a man, I'll do what I can

Don't bother me when you're done
Sick of all your lying, skimming and you crying
They say that I'm free but I'm one
I'm always in the sun, did you number one?

You know I'm a man, I'll make you if I can
You know I'm a man, I'll do what I can

In the morning I've been calling, I'm hoping you understand
All and nothing, I'll keep pushing
Come on now, give peace a chance, take my hand, be a man

In the morning I've been calling, I'm hoping you understand
All and nothing, I'll keep pushing
Come on now, give peace a chance
In the morning I've been calling, I'm hoping you understand
All and nothing, I'll keep pushing
Come on now, give peace a chance, take my hand, be a man
