

## Dreaming of Some Space

**Beady Eye**

Gleaming, dreaming of some space  
Against my mind  
Way I need my woman

Gleaming, dreaming of some space  
Against my mind  
Way I need my woman

Gleaming, dreaming of some space  
Against my mind  
Way I need my woman

Gleaming, dreaming of some space  
Against my mind  
Way I need my woman

Gleaming, dreaming of some space  
Against my mind  
Way I need my woman
