

Start Anew

Beady Eye

Help me understand
Or take me as I am
I'll change my point of view
Anything for you
Gotta the whole world in our hands
Come on take a chance to start anew

Darling cant you see
Something deep inside of me
I'm gonna change your mind
I'll say that you be mine
Gotta the whole world in our hands
Come on take a chance to start anew

Wipe away those tears
Please don't be upset
tell me all your fears
This I will address
Gotta the whole world in our hands
Come on take a chance to start anew

Me and you
Gotta the whole world in our hands
Come on take a chance to start anew

Me and you
Gotta the whole world in our hands
Come on take a chance to start anew

Me and you
Gotta the whole world in our hands
Come on take a chance to start anew

Yeah Yeah Yeah
Oh oh oh
Yeah Yeah Yeah
Yeah Yeah Yeah
Ah Ah Ah
Yeah Yeah Yeah

Gotta the whole world in our hands
Come on take a chance to start anew

Me and you

Gotta the whole world in our hands
Come on take a chance to start anew

Me and you
Gotta the whole world in our hands
Come on take a chance to start anew

Me and you
Me and you
Me and you
