

Blood And Treasure

Bear Hands

Blood and treasure
Descend and I weep
And when I get the money
I'm gonna spend a whole week

Blood and treasure
Descend and I weep
And when I get the money
I'm gonna spend a whole week

Blood and feathers
Surprising in the night
And when I met them
Everything was alright

Blood and treasure
Descend and I weep
And when I get the money
I'm gonna spend a whole week
