

On My Own

Bear Mountain

I'm nowhere, just trying to get to somewhere
Like anybody else
I'm hanging, getting by by the hour
With anybody else

I gave it one last cry
I said my last goodbyeee
Now I'm looking for a good time
I wanna have a good time

You don't have the right to come ruin my life
Now we're out here on the sidewalk
You're such a joke
Nothing to see here folks
You can go home
I'll do it on my own

I never thought that you would ever come running back
I miss the way you move but I got more pride than that
You said you wanted to be free and find your better halfff
I could never give you that

You don't have the right to come ruin my life
Now we're out here on the sidewalk
You're such a joke
Nothing to see here folks
You can go home
I'll do it on my own
(x2)

I gave it one last try
I said my last goodbyeees
Now I'm looking for a good time
I wanna have a good time

I gave it one last try
I said my last goodbyeee
Now I'm looking for a good time
I just wanna have a good life

You don't have the right to come ruin my life
Now you're standing on the sidewalk
You're such a joke
Nothing to see here folks
You can go home
I'll do it on my own
