

## Out Loud Hey Hey

Bear Vs. Shark

I am expecting the mail I am expecting it  
I watch him walking from house to house  
I am expecting the mail I am expecting it  
outside with your garbage hands  
so you can bandage yourself up  
now just a little bit more.  
Help in the largest layers of love  
I didn't go to school there  
but I know 6 kids who did got you two graduation presents  
have for now save for later  
Ring in the ear to the jungle prize fighter  
ring in a voice in the weather  
well it's been 15 years in troubled bones or maybe more  
Those scenic oaks they buried me into that spider web you waite  
d in the forest  
pushing popsicles to webs that never melt or end  
You gave it all for a piece of land  
gave it all for a reason that we should believe in
