

Believe

Beartooth

Oh-oh-oh-oh-oh-oh-oh
Make me believe it
Oh-oh-oh-oh-oh-oh-oh
Make me believe it
Oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh
Make me believe it

I'm stuck in December
In the middle of summer
Tried finding the answers

In the end we're all just lost and alone
We don't know where to go
So we sing
Oh-oh-oh-oh-oh-oh-oh

I've got a weakness now
Gotta wake the season now
My vendetta's with the evening
God knows I am never sleeping
I've got a weakness now
Saying it will all work out
I'd give anything, anything, anything
To make me believe it
Make me believe it

I'm watching the snow fall
Every day when I wake up
No matter where I go

In the end we're all just lost and alone
We don't know where to go
We're all just lost and alone
We don't know where to go

I've got a weakness now
Gotta wake the season now
My vendetta's with the evening
God knows I am never sleeping
I've got a weakness now
Saying it will all work out
I'd give anything, anything, anything
To make me believe it

I've got a weakness now
Gotta wake the season now
My vendetta's with the evening
God knows I am never sleeping

I've got a weakness now
Gotta wake the season now
My vendetta's with the evening
God knows I am never sleeping
I've got a weakness now
Saying it will all work out
I'd give anything, anything, anything

To make me believe it

Oh-oh-oh-oh-oh-oh-oh

Make me believe it

Oh-oh-oh-oh-oh-oh-oh

Make me believe it

Oh-oh-oh-oh-oh-oh-oh

Make me believe it
