

# Energumen

## Beastcraft

Eaten from inside  
Soul devoured by evil  
Possessed by the unholy ghost  
The spirit of Satan  
Driven to murder  
Forced to desecration

Raping his own flesh  
With the same knife  
That his kin felt  
In the witching hour  
The bloodflow creates  
A gateway to Hell

Open veins... deathlust  
At one with Hell... energumen
