

Big Shot

Beastie Boys

Well they were all impressed with your Halston dress
Yes people that you knew at Elaine's
Well the story of your latest success
Kept 'em so entertained

Well you had to be a big shot, didn't you
Had to turn the party out
You had to be a big shot, didn't you
You had to open up your mouth
You had to be a big shot, didn't you
Always got the piece of crowd

You had to have a white hot spotlight
You had to be a big shot last night, whoa

They were all impressed with your Halston dress
And the people that you knew at Elaine's
And the stories of your latest success
Kept 'em so entertained

Well I'm not sure what you said last night
No I'm not sure that you want to know
Well here's one hint honey
You sure did put on a show

Well you had to be a big shot, didn't you
Had to go and please the crowd
You had to be a big shot, didn't you
Always turned the party out
Had to have the front page, last night
Just to open up your mouth
You had to be a big shot, didn't you
Had to have the front page, last night Oh
